SHOW THE NUMBER

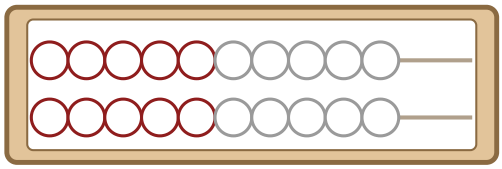

Name: ..... **Date:** .....

Color the beads on the top row to show each number. Start at the left: color the red beads red, and go over the ring of each white bead you use with a dark pencil so you can see which ones moved.

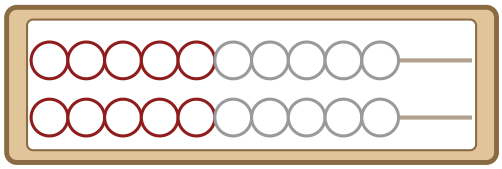

1. **2**

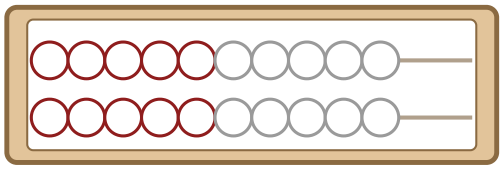

2. **5**

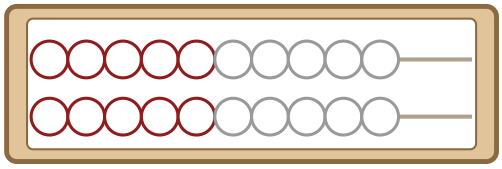

3. **7**

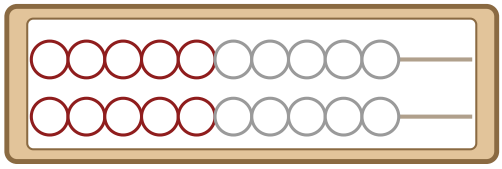

4. **9**

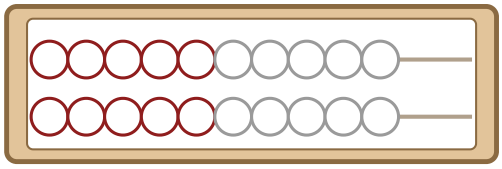

5. **3**

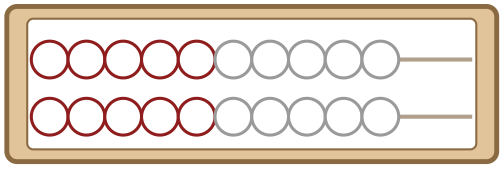

6. **10**

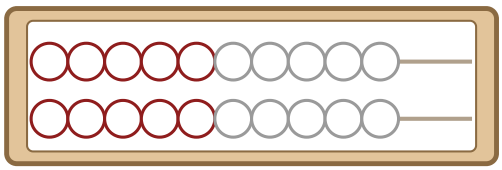

7. **6**

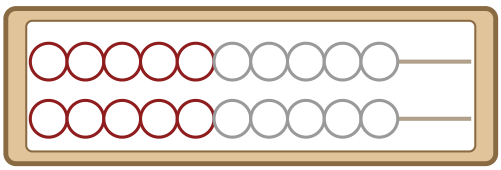

8. **8**

9. **4**

10. **1**

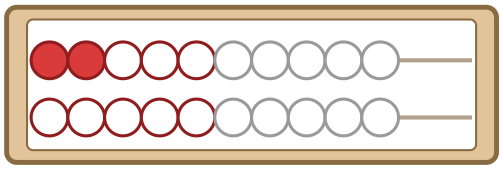

Numbers up to five use only the red beads. From six on you need all five reds and then some whites, which is why the rack makes six look like five and one.
