MY OWN THERMOMETER

Name: ..... **Date:** .....

An empty thermometer. Write your own word for each level in the box, draw the face you make, and add what you look like and what you need at that level.

5

My word for level 5: _____

What I look like: .....

What I need: .....

4

My word for level 4: _____

What I look like: .....

What I need: .....

3

My word for level 3: _____

What I look like: .....

What I need: .....

2

My word for level 2: _____

What I look like: .....

What I need: .....

1

My word for level 1: _____

What I look like: .....

What I need: .....

Start at the bottom. Level 1 is easiest to describe, and level 5 is easiest to describe the day after it happened rather than during it. Keep the finished sheet where the child can point to it.
