Y SAYS LONG E

Name: ..... **Date:** .....

When a word has two syllables or more and ends in y, the y says the long e sound: happ-ee, cand-ee, bab-ee. Split each word into its two syllables, write how many there are, then copy the whole word on the line.

The rule: more than one syllable, y at the end, y says **long e**. Every word on this page has exactly two syllables and the y is the vowel of the second one. Clap the word to check.
