WORKING FOR: 5 TOKENS

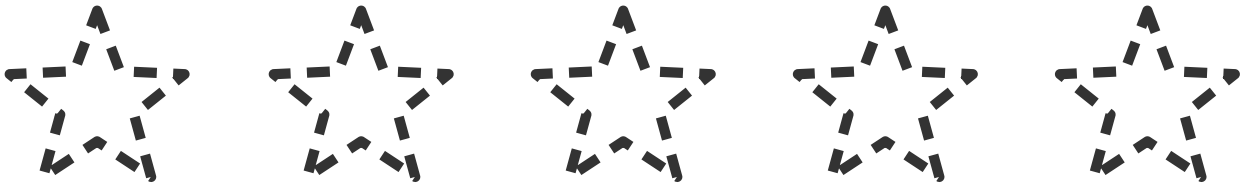

Name: ..... **Date:** .....

Offer the three pictures at the bottom before any work starts, let the child pick one, and copy that picture into the WORKING FOR box. A reward chosen at nine in the morning is often worthless by eleven, so ask again after every full board rather than assuming.

TODAY I CAN CHOOSE FROM

Circle the one the child picked. If they pick the same thing five days in a row, that is fine: keep offering the other two anyway so the choice stays real.
