PLUS SIGNS AND CROSSES

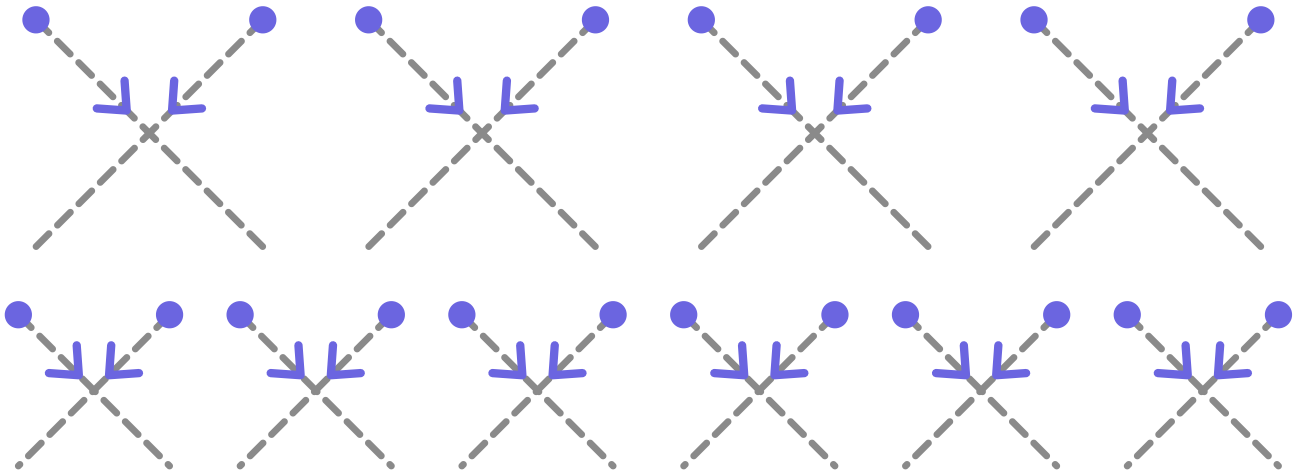

Name: ..... **Date:** .....

Two lines make one shape. For a plus, draw the line down first, then the line across. For a cross, draw from the top left down to the bottom right, then from the top right down to the bottom left.

Plus signs: down first, then across

Crosses: down to the right first, then down to the left

Draw your own: a window with a plus in it, and a kite with a cross
