FIND THE ROOT WORD

Name: ..... **Date:** .....

Every word below is a root word plus a prefix or a suffix. Circle the prefix or suffix, then write the root word on the line.

1. **unpack** root: _____
2. **replay** root: _____
3. **careful** root: _____
4. **sadness** root: _____
5. **preheat** root: _____
6. **dislike** root: _____
7. **quickly** root: _____
8. **teacher** root: _____
9. **hopeless** root: _____
10. **misread** root: _____
11. **nonsense** root: _____
12. **fastest** root: _____
13. **readable** root: _____
14. **unlucky** root: _____
15. **reuse** root: _____
16. **kindness** root: _____

Check yourself: the root should be a real word on its own. If what is left is not a word, you circled too much.
