DESIGN YOUR OWN SAFETY SIGN

Name: ..... **Date:** .....

Design three safety signs for your school or home. Draw the picture inside the shape, color it the right color, then write what it means and where it should go.

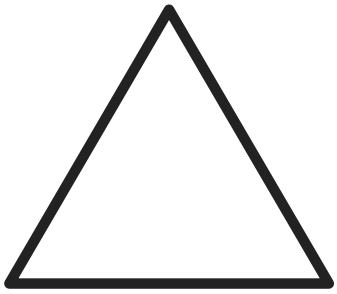

A stop or do-not sign (red)

My sign means:

I would put it:

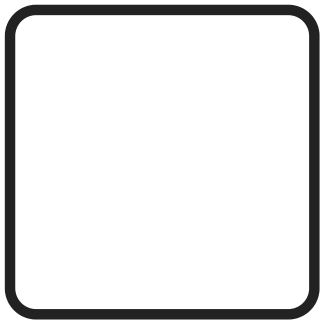

A be-careful sign (yellow)

My sign means:

I would put it:

A safe or help sign (green)

My sign means:

I would put it:

OUR CLASSROOM SIGN

Think of one rule that keeps everyone in your classroom safe. Draw a sign for it in the box. Then answer:

What shape did you choose, and why?

What color did you choose, and why?

For non-commercial, education use only
