VALUE SCALE WORKSHEET

Name: ..... **Date:** .....

Use a soft pencil (2B or softer). Press lightly for light values and build up dark values in layers.

Reference: a 9-step value scale from white (1) to black (9)

1 2 3 4 5 6 7 8 9

Your turn: shade a 9-step scale, each box a little darker than the last

1 2 3 4 5 6 7 8 9

7-step value scale

1 2 3 4 5 6 7

5-step value scale

1 2 3 4 5

Smooth gradient: shade light to dark with no visible steps

light dark

Now the other way: dark on the left to light on the right

dark light
