FIND A REAL PLACE

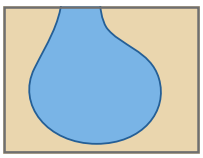

Name: ..... **Date:** .....

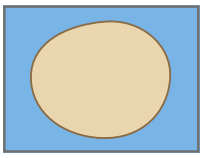

Every form has famous examples on a world map. Write the place from the bank next to the form it is an example of, then find each one in an atlas.

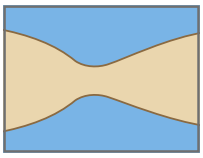

PLACE BANK

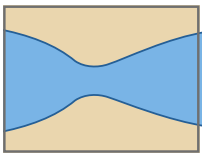

Cape Horn · Florida · Hudson Bay · Iceland · Lake Victoria · the Great Lakes · the Gulf of Mexico · the Hawaiian Islands · the Isthmus of Panama · the Strait of Gibraltar

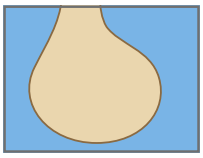

1.  **Archipelago** _____

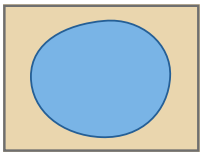

2.  **Gulf** _____

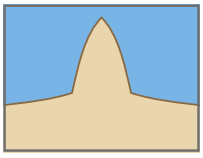

3.  **Island** _____

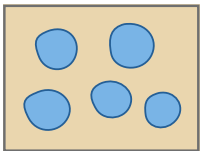

4.  **Isthmus** _____

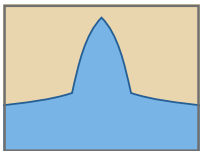

5.  **Strait** _____

6.  **Peninsula** _____

7.  **Lake** _____

8.  **Cape** _____

9.  **System of lakes** _____

10.  **Bay** _____

Every place in the bank is a well known example of one form. Find them on a globe or in an atlas after you write them in, and trace the coastline with a finger: the Isthmus of Panama joins two continents, and the Strait of Gibraltar is only nine miles across.
