CUTTING PRACTICE: FRINGE SNIPPING

Name: ..... **Date:** .....

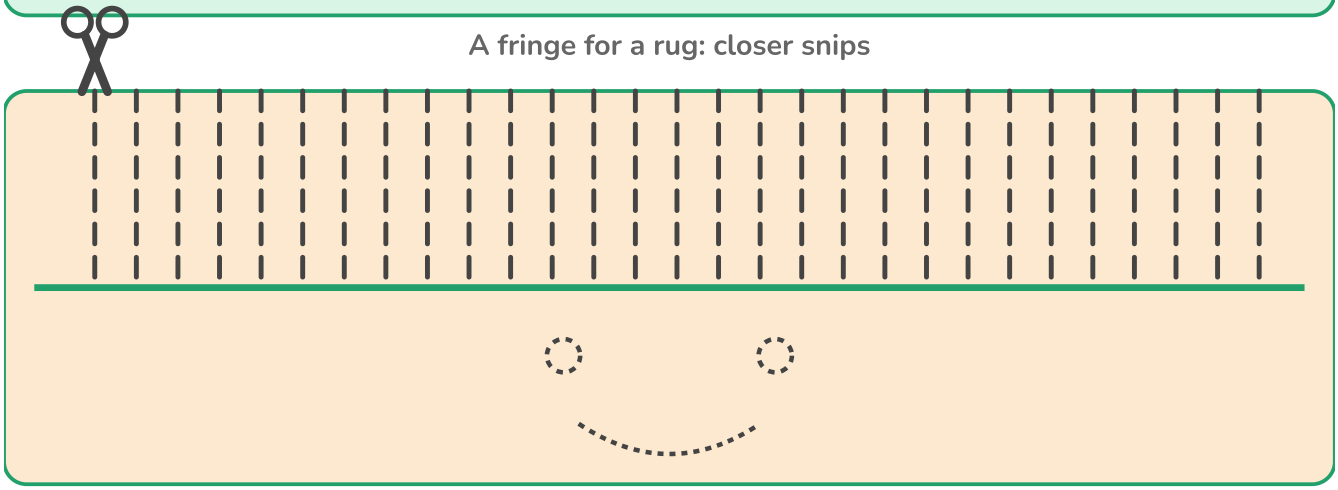

Short snips that stop: hold the strip in one hand, open the scissors wide, cut along a dashed line and stop at the solid line. Cut the whole top edge into a fringe. The snips get closer together on each strip.

Grass: snip every dashed line from the top edge down to the solid line

A fringe for a rug: closer snips

A haircut: snip the hair, then draw the eyes and mouth
