VOWEL PLUS R

Name: ..... **Date:** .....

A vowel followed by r makes one new sound, not two, so the vowel and the r go in the same box.

car

c	ar

- You cannot hear a short a in car. The a and the r have made one sound, /ar/, so car is two sounds and two boxes.
- The same happens with er, ir, or and ur. On this page ir and ur both say /er/.
