Page 2 is the ten picture cards. Lay them out in a column, then match a name slip from page 3 to each one.

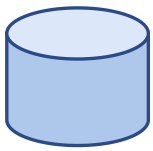

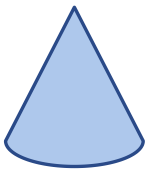

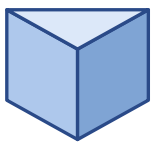

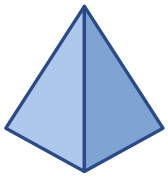

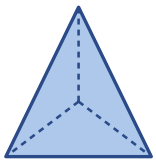

THREE-PART CARDS

Name: ..... **Date:** .....

Page 3 is the ten name slips. Work with three or four solids at a time, not all ten, and always have the real solid on the table next to its card.

Sphere	**Ovoid**
Ellipsoid	**Cube**
Cuboid	**Cylinder**
Cone	**Triangular prism**
Square-based pyramid	**Triangular-based pyramid**

The cards come after the solids, never before. A child who has held the triangular prism, stood it up, tipped it over and tried to roll it will read the card as a reminder. A child who meets the card first is only learning a word.
