BLANK SOUND BOX STRIPS

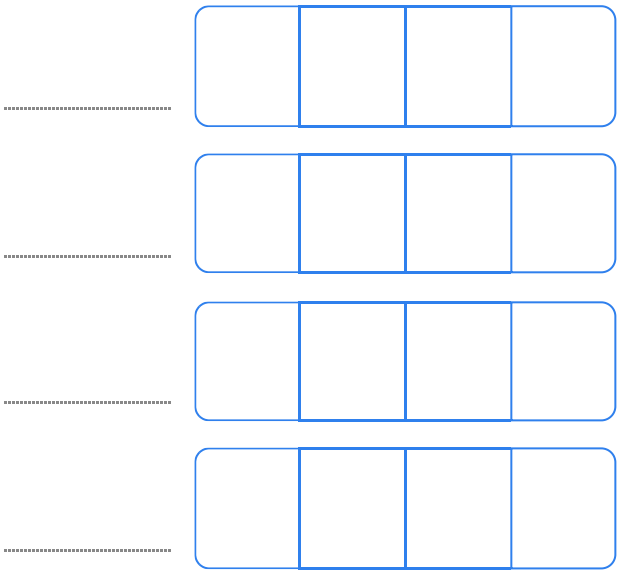

Name: ..... **Date:** .....

Sixteen blank sound strips to use again and again: four with two boxes, four with three, four with four and four with five. Write the word on the line, then one sound in each box. Put the sheet in a plastic sleeve and use a dry wipe pen to reuse it.

Counters work better than a pencil the first few times: a button or a dried bean pushed into each box as the sound is said, then the letters written in afterwards.
