TWO-STUDENT BREAK SPACE

Name: ..... **Date:** .....

One page for a room where two children share the break space. Each child has their own five slots: write the time they went, which break they chose and the time they came back. If both need the space at once, the second child gets the second choice on their board, not a refusal.

TIME OUT	BREAK CHOSEN	TIME BACK	CAME BACK READY?

A break space one child lives in all morning is a sign the work, the seat or the noise level needs changing.
