# WORDED SCALE 1 TO 10

**Name:** ..... **Date:** .....

No faces and no coloring, for a student who finds those babyish. Read down the first two columns, correct anything that is wrong for you, and fill in the last column yourself.

| NO. | NAME FOR IT | WHAT IT FEELS LIKE INSIDE | WHAT OTHER PEOPLE SEE | WHAT I CAN DO HERE |
|---|---|---|---|---|
| 10 | **Out of control** | I am not thinking at all. Everything is noise. | Hitting, running off, damage to things. | ..... |
| 9 | **Nearly out of control** | I can barely hear anyone talking to me. | Threats, throwing, clenched fists. | ..... |
| 8 | **Very angry** | I want to say something I will regret. | Shouting, swearing, walking out. | ..... |
| 7 | **Angry** | Heat in my chest, thoughts coming fast. | Raised voice, standing up, arguing. | ..... |
| 6 | **Frustrated** | I cannot get it right and I want to quit. | Louder voice, pushing the work away. | ..... |
| 5 | **Annoyed** | I want this to stop. | Frowning, muttering, short answers. | ..... |
| 4 | **Bothered** | Something is bugging me and I keep thinking about it. | Sighing, off task, slow to start. | ..... |
| 3 | **A little restless** | Hard to settle, I want to move. | Fidgeting, tapping, looking around. | ..... |
| 2 | **Comfortable** | Fine, with a bit of background noise in my head. | Working, joining in, easy to talk to. | ..... |
| 1 | **Calm** | Settled. Nothing pressing. | Relaxed posture, ordinary voice. | ..... |

**My early warning number is** ..... **and the sign is** .....

**The useful number is not the ten, it is the number just before things stop being fixable. Find it, name the sign that goes with it, and tell one adult what you want them to say when they see it.**
