SOUND BOXES: 2 SOUNDS

Name: ..... **Date:** .....

Two sounds, two boxes. Say the word slowly, color one dot for each sound you hear, then write the letter or letters that make that sound under the dot. Some words have three letters but only two sounds.

egg

- Stretch it out: **eeee - g**. That is two sounds, so two boxes.
- The two g's make one sound, so they share one box. Boxes are for sounds, not for letters.
- Always fill the boxes from the left, in the order you hear the sounds.
