HOW MANY SOUNDS?

Name: ..... **Date:** .....

This time nobody tells you how many sounds there are. Say the word slowly, count the sounds on your fingers and write that number in the dashed box. Fill that many boxes from the left, one sound in each, and cross out the boxes you did not need.

WORD	HOW MANY	ONE SOUND IN EACH BOX, THEN CROSS OUT THE REST
oak		
owl		
bee		
hop		
rug		
kid		
lamp		
nest		
swim		
gift		
spent		
crust		

These words run from two sounds (**oak**, **owl**, **bee**) to five (**spent**, **crust**). Letters are not a clue: **oak** has three letters and two sounds, while **swim** has four letters and four sounds.
