5-TOKEN BOARD

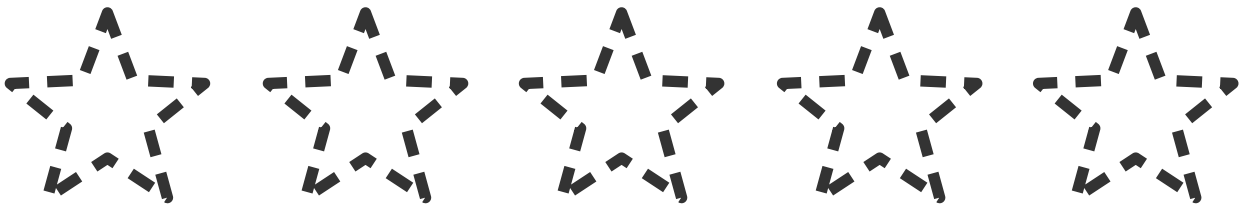

Name: ..... **Date:** .....

Put a picture of the reward in the box, then hand over one token for each piece of work finished. Say what the token was for ("that is one for finishing your row") and say how many are left. When the fifth star is covered, the reward happens straight away, and the board is cleared and started again.

I AM WORKING FOR

FIVE TOKENS TO EARN IT

1 2 3 4 5

I earn a token for .....

Board full at .....

Five is the usual starting number for a child who can already wait a few minutes. If the board is never finished, drop to three rather than making the work easier.
