RATE IT 1 TO 10

Name: ..... **Date:** .....

A ten-point version for older students, who can usually tell a 4 from a 6. Color up to your number, then write the number and what moved you up or down today.

10. Out of control .....

9. Nearly out of control .....

8. Very angry .....

7. Angry .....

6. Frustrated .....

5. Annoyed .....

4. Bothered .....

3. A little restless .....

2. Comfortable .....

1. Calm .....

My number now _____ **What moved it** _____

Use the line beside each level to write your own words for it, in the language you would actually use with a friend. A scale you wrote yourself is one you will use when you are at an 8.
