MY WEATHER PREDICTION

Name: ..... **Date:** .....

Be the groundhog! Make your own prediction for February 2, explain your thinking, and draw the groundhog coming out of its burrow.

1. My prediction

- ☐ The groundhog WILL see its shadow.
- ☐ The groundhog will NOT see its shadow.

2. Today the weather is

sunny

cloudy

rainy

snowy

3. That means...

☐ six more weeks of winter 

☐ an early spring 

4. I think this because...

5. Draw the groundhog coming out of its burrow on February 2 

6. My name for the groundhog

Three words that describe my groundhog:
