10-TOKEN BOARD

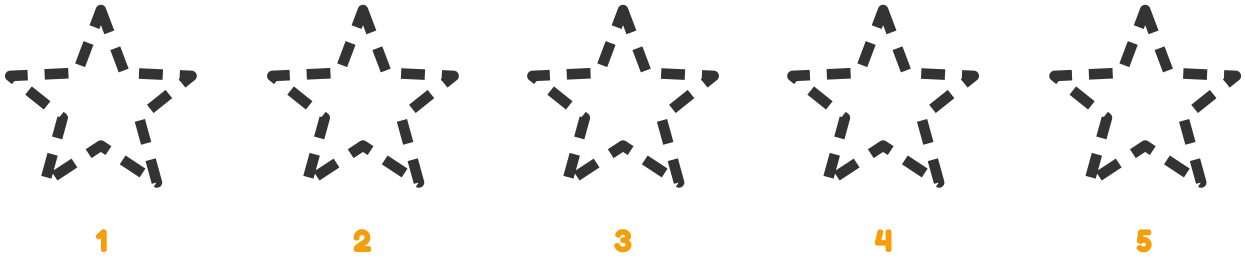

Name: ..... **Date:** .....

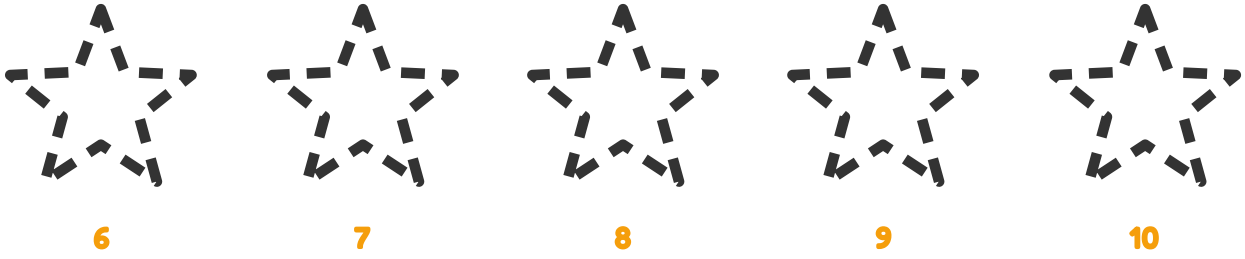

Ten spaces for a child who can already finish a five-token board without reminders. Move up a number at a time, not from five to ten in one step, and keep the reward the same size as before. If the child starts asking how many are left every thirty seconds, you have moved up too fast.

I AM WORKING FOR

write or draw the reward here

TEN TOKENS TO EARN IT

I earn a token for .....
