TRACE THE CANDY CANES

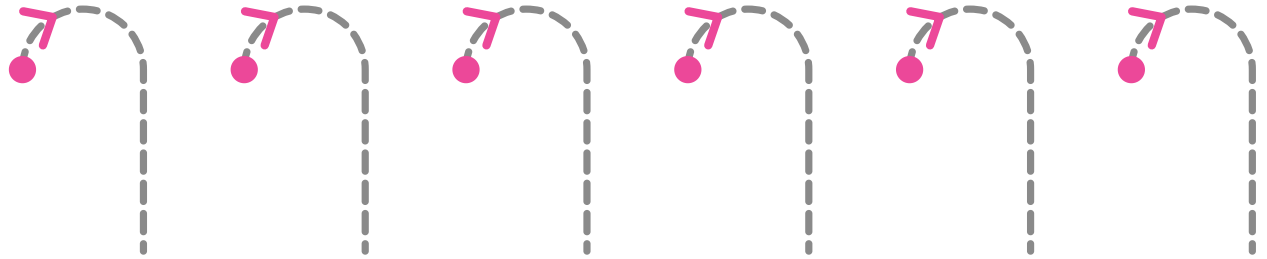

Name: ..... **Date:** .....

A candy cane is a curve and a straight line. Put your pencil on the dot, curve up and over the hook, then pull straight down to the end. Keep going in one smooth move without lifting your pencil.

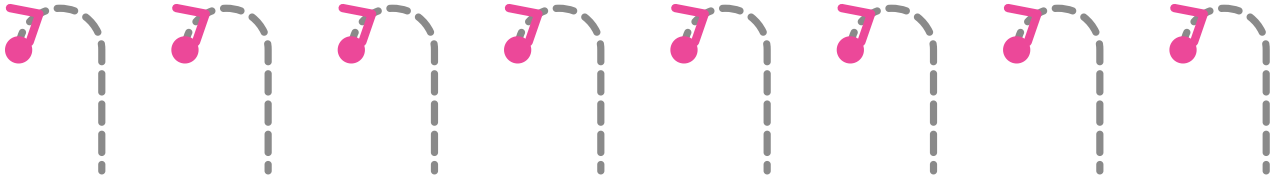

Big candy canes: start at the dot, curve over the top and straight down

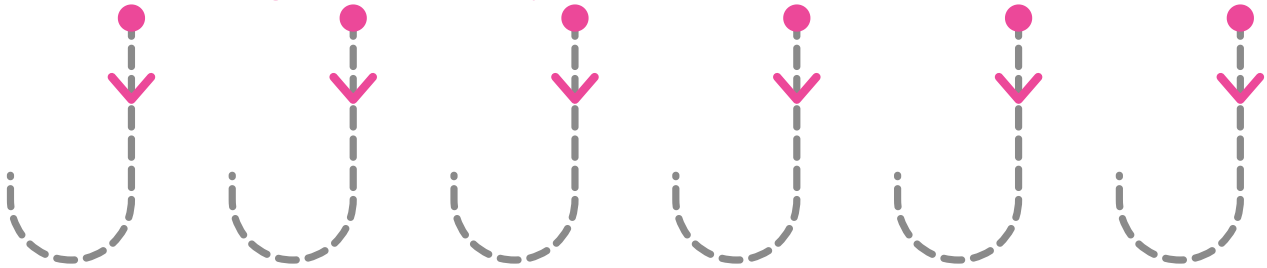

Medium candy canes

Small candy canes

Upside-down canes: straight down, then curl up like a J

Draw your own candy canes and color in the stripes
