GEORGE WASHINGTON

Name: ..... **Date:** .....

Read the passage twice. Then answer the questions: circle one answer for each multiple choice question and write a full sentence for the last one. Look back at the passage to check.

George Washington

100 words

George Washington was the first president of the United States. He was president from 1789 to 1797. Before he was president, he led the Continental Army. Washington was born on February 22. Today we remember him every year on Presidents' Day. Presidents' Day is on the third Monday of February, close to his birthday. You can see Washington's face every day. He is on the one-dollar bill, and he is also on the quarter. Look in a pocket or a purse, and you may find him there! Today the president lives and works in the White House in Washington, D.C.
