HOW MUCH TIME PASSED?

Name: ..... **Date:** .....

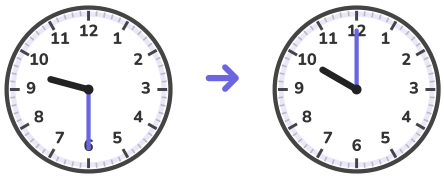

Read the start clock and the end clock, then write how much time passed. Every time here is on the hour or the half hour.

start end

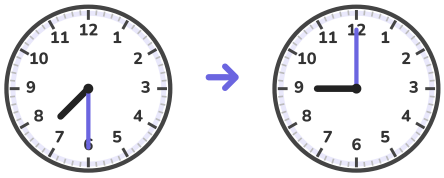

1 **Time passed:**

start end

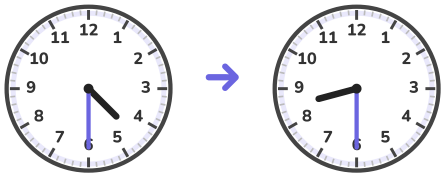

2 **Time passed:**

start end

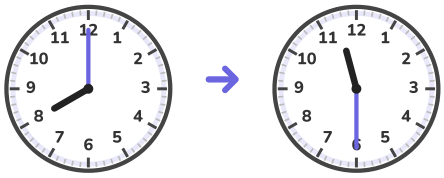

3 **Time passed:**

start end

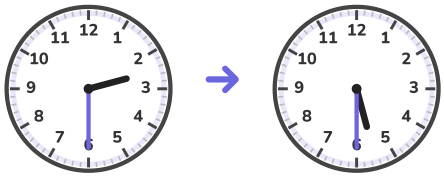

4 **Time passed:**

start end

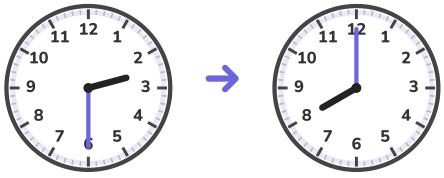

5 **Time passed:**

start end

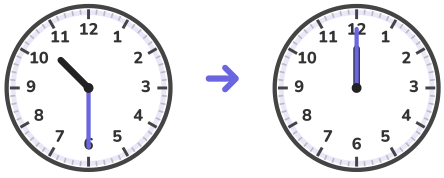

6 **Time passed:**

start end

7 **Time passed:**

start end

8 **Time passed:**

Worked example: start 1:00, end 3:30. Count on from the start: 1:00 to 3:00 is 2 hours, 3:00 to 3:30 is 30 min, so the time passed is **2 h 30 min**.
