DRAW THE END TIME

Name: ..... **Date:** .....

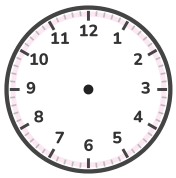

Read the start time, add the minutes and hours that pass, then draw both hands on the empty clock and write the end time. Short hand for the hour, long hand for the minutes.

start 8:15

1 h 5 min later →

end

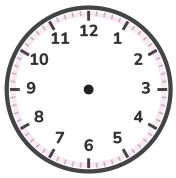

1 **End time:** _____

start 2:35

3 h 20 min later →

end

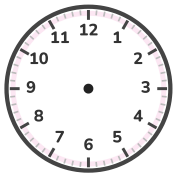

2 **End time:** _____

start 7:20

20 min later →

end

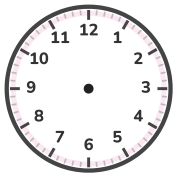

3 **End time:** _____

start 9:40

2 h 5 min later →

end

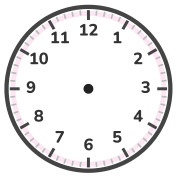

4 **End time:** _____

start 4:45

50 min later →

end

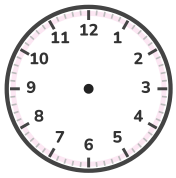

5 **End time:** _____

start 7:25

2 h 20 min later →

end

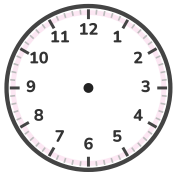

6 **End time:** _____

start 8:40

3 hours later →

end

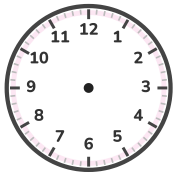

7 **End time:** _____

start 3:15

45 min later →

end

8 **End time:** _____

Worked example: start 2:15, 45 minutes later. 2:15 + 45 min: 2:15 to 3:00 is 45 min, so the end time is **3:00**. The minute hand points to 12 and the hour hand to 3.
