Value

Name: _____ Date: _____

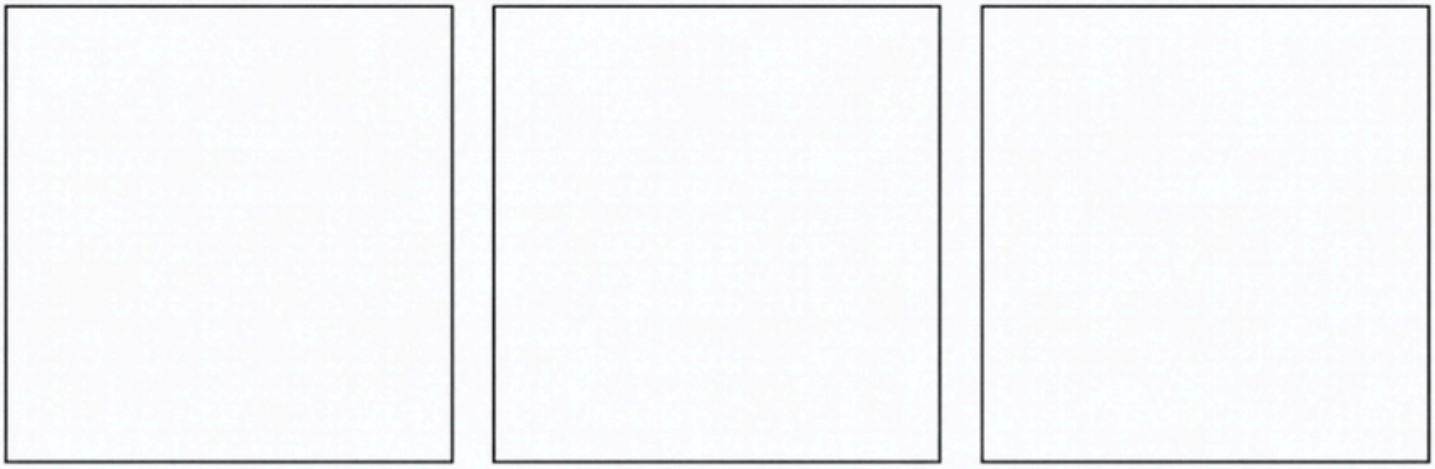

Part 1: shade the scale from white (box 1) to the darkest your pencil can make (box 9). Each box should be a little darker than the last. Part 2: draw and shade each form. The light comes from the top left, so the darkest side is bottom right. Add a shadow on the ground.

PART 1: VALUE SCALE

1 2 3 4 5 6 7 8 9

PART 2: SHADE THE FORMS (LIGHT FROM TOP LEFT)

sphere cube cylinder

VOCABULARY

Highlight: the lightest spot, facing the light.

Midtone: the middle values.

Core shadow: the darkest part of the object.

Cast shadow: the shadow the object throws on the ground.
