Texture and space

Name: _____ Date: _____

Part 1: fill each square with marks that make it look like the texture named; no outlines, just texture. Part 2: draw three trees in each box, using the method named to make one look near and one far.

PART 1: IMPLIED TEXTURE

tree bark

animal fur

brick wall

rippling water

long grass

woven cloth

PART 2: SHOWING SPACE

Overlapping:
near things cover far things

Size:
near things are bigger

Placement:
far things sit higher on the page

VOCABULARY

Positive space: the objects.
Negative space: the empty area around them.
Foreground, middle ground, background: the near, middle and far parts of a picture.
