Name: ..... **Date:** .....

Capital A and small a belong together. Trace each pair, saying "big A, little a" as you go. Capital A touches the top line; small a stays between the dashed line and the bottom line.

HOW TO WRITE IT

Big line down to the left, big line down to the right, little line across the middle. Then small a: start just under the middle line, curve round like a c, close it, then a short line down to the bottom.
