Name: ..... **Date:** .....

Capital S and small s belong together. Trace each pair, saying "big S, little s" as you go. Capital S touches the top line; small s stays between the dashed line and the bottom line.

HOW TO WRITE IT

Start near the top, curve to the left, then down and round to the right, and back to the left like a snake. Then small s: start just under the middle line, curve left, then down and round to the right, and back to the left.
