WHICH DETAIL DOES NOT BELONG?

Name: ..... **Date:** .....

Three of the four details support the main idea. One is true but does not belong: it tells you nothing more about the main idea. Put an X in its box.

1. Main idea: Camels are well suited to desert life.

- [ ] They can go a week without drinking water.
- [ ] Long eyelashes keep sand out of their eyes.
- [ ] Camels have been used to carry loads for thousands of years.
- [ ] Wide, padded feet stop them sinking into sand.

2. Main idea: Reading every day makes you a better reader.

- [ ] You meet new words and learn what they mean.
- [ ] Libraries are usually closed on Sundays.
- [ ] Reading gets faster with practice, like running.
- [ ] You get used to how sentences are built.

3. Main idea: Our town needs more bike lanes.

- [ ] Riders and drivers would both be safer.
- [ ] More people would cycle instead of driving short trips.
- [ ] The town pool opens in June.
- [ ] Bike lanes cost far less than new roads.

4. Main idea: Volcanoes can be helpful as well as dangerous.

- [ ] Volcanic ash makes soil very rich for farming.
- [ ] Hot springs near volcanoes heat homes in Iceland.
- [ ] Lava can reach 2,000 degrees Fahrenheit.
- [ ] Many islands, including Hawaii, were built by volcanoes.

WHICH DETAIL DOES NOT BELONG?

ANSWER KEY

Name: ..... **Date:** .....

Three of the four details support the main idea. One is true but does not belong: it tells you nothing more about the main idea. Put an X in its box.

1. Main idea: Camels are well suited to desert life.

- [ ] They can go a week without drinking water.
- [ ] Long eyelashes keep sand out of their eyes.
- [x] ~~Camels have been used to carry loads for thousands of years.~~
- [ ] Wide, padded feet stop them sinking into sand.

2. Main idea: Reading every day makes you a better reader.

- [ ] You meet new words and learn what they mean.
- [x] ~~Libraries are usually closed on Sundays.~~
- [ ] Reading gets faster with practice, like running.
- [ ] You get used to how sentences are built.

3. Main idea: Our town needs more bike lanes.

- [ ] Riders and drivers would both be safer.
- [ ] More people would cycle instead of driving short trips.
- [x] ~~The town pool opens in June.~~
- [ ] Bike lanes cost far less than new roads.

4. Main idea: Volcanoes can be helpful as well as dangerous.

- [ ] Volcanic ash makes soil very rich for farming.
- [ ] Hot springs near volcanoes heat homes in Iceland.
- [x] ~~Lava can reach 2,000 degrees Fahrenheit.~~
- [ ] Many islands, including Hawaii, were built by volcanoes.
