Y SAYS SHORT I

Name: ..... **Date:** .....

This is the smallest group. When y sits inside a syllable it usually says short i, the sound in sit and pig. Read the ten words, then use the word bank to finish the six sentences.

gym	myth	crystal	system	symbol
mystery	gymnastics	lyrics	typical	Egypt

Why so few? Almost all of them came into English from Greek, which is also why they look unusual: gym, myth, system, symbol, lyrics, mystery, gymnastics, typical, crystal, Egypt. Learning them as a small set is faster than trying to sound them out. Look at **mystery** twice: the first y says short i and the last y says long e, because it is at the end of a longer word.

FINISH THE SENTENCE

WORD BANK: gym · myth · crystal · symbol · mystery · system

1. We play basketball in the _____.
2. A story about a god is a _____.
3. The rock had one clear _____ in it.
4. A heart is a _____ for love.
5. Nobody could solve the _____.
6. Our solar _____ has eight planets.
