WHICH STRATEGY HELPS?

Name: ..... **Date:** .....

Draw a line from each feeling on the left to a strategy on the right that could help. More than one answer can be right, and some strategies help with many feelings. Then circle the strategy you would try first.

Angry

Sad

Scared

Worried

Frustrated

Excited

- Count to 10
- Ask for a hug
- Take 5 deep breaths
- Talk to someone
- Squeeze a ball
- Go to a quiet spot
- Take a walk
- Drink some water

MY OWN MATCH

When I feel _____ I will try _____

There are no wrong answers. A strategy is right if it helps *you* feel calmer.
