BLUE AND RED STRIPS TO CUT OUT

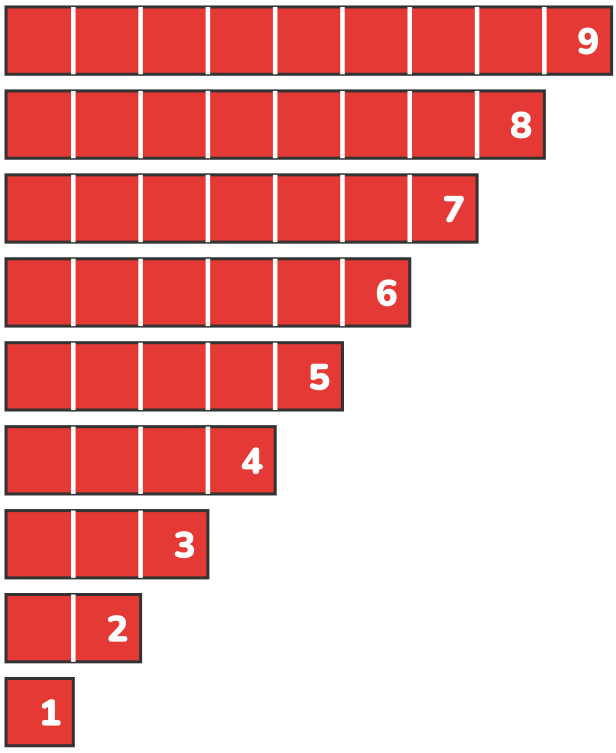

Name: ..... **Date:** .....

Cut along the edges of every strip. Blue strips are the first number, red strips (with the squares marked) are the number you add. Keep them in two envelopes.

BLUE STRIPS 1 TO 9

RED STRIPS 1 TO 9

Print on card, or glue the page to cereal-box cardboard before cutting, and the strips will last. Each square matches a square on the board.
