MONTESSORI MATH SEQUENCE

Name: ..... **Date:** .....

The order in which Montessori math materials are usually introduced. Tick each material as your child works with it.

Material	What the child learns	Typical age	Done
Number rods	Quantities 1 to 10 as lengths	3½ to 4½	☐
Sandpaper numerals	Recognising and tracing 0 to 9	3½ to 4½	☐
Spindle boxes	Zero and loose quantities 0 to 9	4	☐
Cards and counters	Sequence 1 to 10, odd and even	4 to 4½	☐
Bead stair	Colour-coded quantities 1 to 9	4 to 5	☐
Golden beads	Units, tens, hundreds, thousands	4½ to 5½	☐
Teen and ten boards	Numbers 11 to 99	4½ to 5½	☐
Hundred board	Sequence and patterns to 100	5 to 6	☐
Stamp game	Operations with place value	5½ to 6½	☐

Ages are typical, not fixed. Children move on when they are ready, not when they reach an age.
