BUILD THE FACT ON THE BOARD

Name: ..... Date: .....

Color the beads for each fact: the first number is in the slot, so color that many beads in each column, and color as many columns as the second number. Draw the red disc above the last column, then write the product.

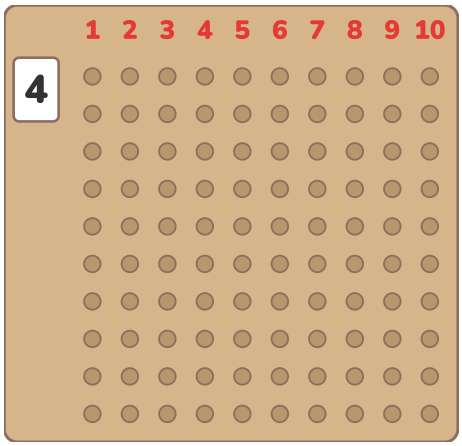

5 × 8

BUILD THE FACT ON THE BOARD

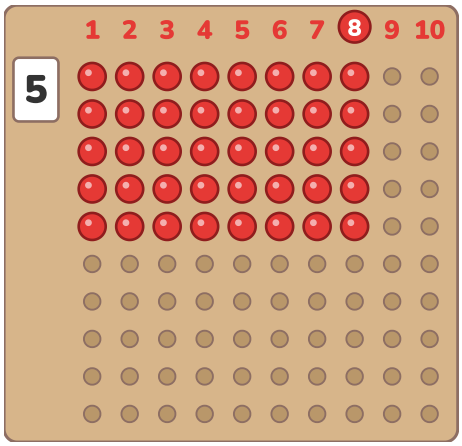

ANSWER KEY

Name: ..... **Date:** .....

Color the beads for each fact: the first number is in the slot, so color that many beads in each column, and color as many columns as the second number. Draw the red disc above the last column, then write the product.

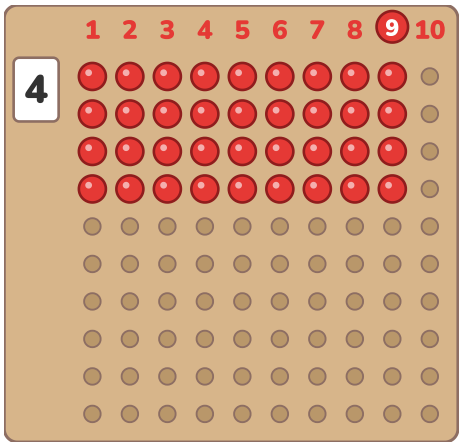

5 × 8

= 40

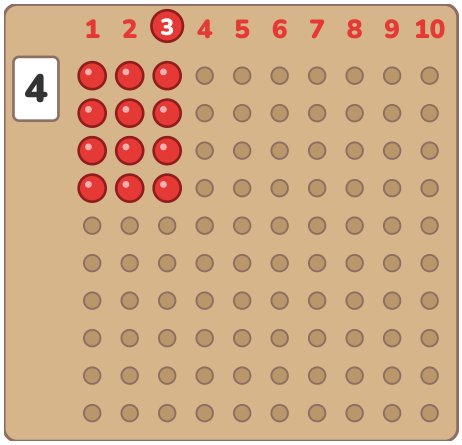

4 × 9

= 36

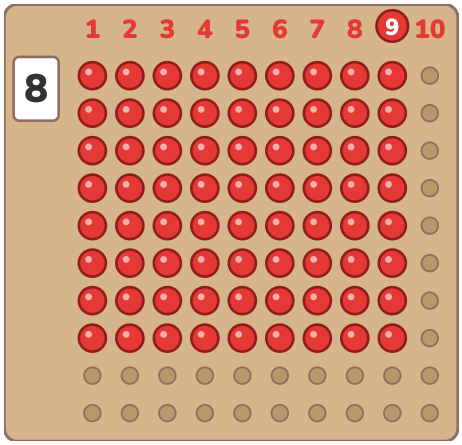

4 × 3

= 12

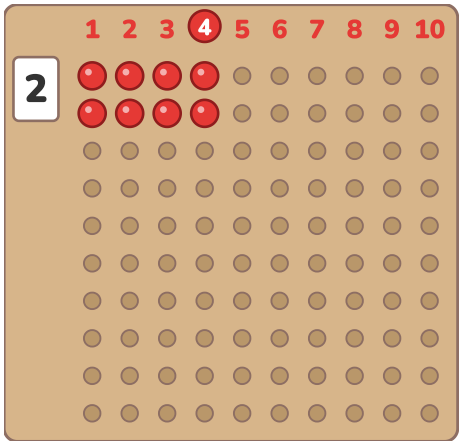

8 × 9

= 72

2 × 4

= 8

7 × 3

= 21
