TRACE IT, THEN WRITE IT

Name: ..... **Date:** .....

Write the name in the box, then in light pencil or dots on the left of each row. The child traces on the left and writes the name alone on the right. Five tries, getting closer each time.

My name is: write the name here in big, clear letters

trace here (adult writes the name in dots or light pencil)	write here
trace here (adult writes the name in dots or light pencil)	write here
trace here (adult writes the name in dots or light pencil)	write here
trace here (adult writes the name in dots or light pencil)	write here
