NOUN HUNT

Name: ..... **Date:** .....

Part 1: read the story and circle every noun. There are 20 to find (13 different words; some appear more than once). Part 2: answer the questions. Part 3: write four sentences of your own.

PARTS 1 AND 2: THE STORY AND THE QUESTIONS

Ben found a kitten under the bench in the park. The kitten was cold, so Ben wrapped it in his scarf. He carried it to his house and gave it some milk in a bowl. His mother phoned the vet. The vet said the kitten was healthy. Now the kitten sleeps on a cushion by the window, and Ben calls it Pepper.

1. Write the two proper nouns (names) in the story.

_____

2. Write two nouns that name places.

_____

3. Write three nouns that name things.

_____

4. Which noun appears most often, and how many times?

_____

PART 3: YOUR TURN

Write four sentences. Use one of these nouns in each: castle, dragon, pizza, teacher.

_____

_____

_____

_____
