HEART WORD RECORD: 40 WORDS

Name: ..... **Date:** .....

All forty heart words from sets one to four. Tick **R** the first time the child reads the word with no sounding out, **S** the first time they spell it right from memory, and the last column when both are still true two weeks later.

SET 1

WORD	R	S	✓
the			
of			
was			
said			
you			
are			
they			
from			
have			
one			

SET 2

WORD	R	S	✓
come			
some			
there			
where			
were			
who			
what			
does			
want			
been			

SET 3

love			
move			

R read: ____ / 40 **S spelled:** ____ / 40 **Held after 2 weeks:** ____ / 40

Started: _____

Check 1: _____ **Check 2:** _____ **Check 3:** _____ **Check 4:** _____

Three words to work on next, and what the tricky part is in each:

.....

.....

.....

A word is only learned when it holds after a gap. Recheck the whole page every three weeks and move anything that slipped back into daily practice: it is normal for **were**, **where** and **there** to swap places for months.
