ABC LOG FOR HOME

Name: ..... **Date:** .....

A week of this is the most useful thing a parent can bring to a school meeting. Write only what you saw, in your own words, and fill it in the same evening.

DAY AND TIME	WHAT WAS HAPPENING JUST BEFORE Who was there, what had been asked	WHAT MY CHILD DID What I saw and heard	WHAT HAPPENED NEXT What we did, how it ended

WHAT WE TRIED THAT SEEMED TO HELP

Take this to the meeting with the dates filled in. Two things make a parent log count: it says what happened rather than why, and it covers the calm days as well as the hard ones. If a day had no incident, write "no incidents" on a row so the team can see the whole week.
